3. The sannud does not convey the powers of alienation to the Guru as has been conceded in that of Sri Parakalaswamy Mutt. I beg to remark that after the issue of the sannud to the mutt, some body has corrected in English "will" which has not been initialed. In line No 38, it will be observed that originally the words Sri Galavaru were mentioned, this has been corrected into "agathakkadu (ಅಗತಕ್ಕದ್ದು) which has no meaning. Perhaps the intention might be to use the word (ಅಗತ್ಯವಾಗಿ) there being no sufficient space left to correct in full, the letter "ವಾ" has been omitted. In the copy of this sannud entered in the accounts, the words "Sri Galavaru" have been plainly copied. It could not be ascertained the intention of this correction.
